

REALTOR® Scholarship Application

Spring 2017

The REALTOR® Association of Central Massachusetts has established a Scholarship Program to assist persons in the real estate field who are seeking to obtain a related designation (such as GRI, CBR, CRS, etc.). The Association supports the efforts of REALTORS® looking to further their education through these classes and has allocated funds to assist in the financial cost of these classes. A limited amount of funding is available for each year, allowing for up to 2, \$250.00 scholarships awarded in Spring 2017. Awards will be given in the Spring and the Fall.

Applications must be submitted by May 17, 2017 for Spring consideration. The Scholarship Committee will choose the recipients and promptly notify the winners. If multiple qualified applications are received, the recipients may be chosen by a lottery system.

Applicant must be a current REALTOR® member of RACM in good standing.

Once the student has completed the class and submitted a copy of his/her certificate or other evidence of satisfactory completion of the course, the scholarship funds will be awarded.

Scholarships are for tuition only and are limited to one per person per calendar year. Scholarships will be granted for the course requested and approved in the application.
